DAMON CHRISTOL is a senior from Owensboro, KY., majoring in Music Education. He is the son of Mr. and Mrs. Michael Christol and a graduate of Owensboro Sr. High School.

Since beginning his musical education on guitar at the age of five, Damon has studied several other instruments. His major instrument and first love is the cello, but he also plays trumpet and piano.

As a high school student, Damon was a four-time member of the Kentucky All-State Orchestra. His senior year, however, he also met with success on trumpet in being selected as a member of the Kentucky All-State Band as well.

As a student at the University of Evansville, Damon is very involved in musical organizations both on and off campus. He is currently a member of the University Band and University Orchestra, the Singing Aces, and Phi Mu Alpha Sinfonia, a professional music fraternity for men. Damon also plays with the Evansville Philharmonic Orchestra.

Damon enjoys writing and playing his own music. Recently he entered a jingle-writing contest sponsored by Evansville's Operation City Beautiful and won first prize. After graduation Damon hopes to pursue a career in the field of commercial music.

ROGER LACY began studying the trombone at age 10. He attended Harrison High School in Evansville and was a member of the concert, marching, and jazz bands. He was the principal trombonist in the high school orchestra in addition to being a member of the All-City Band, Orchestra, and Jazz Band.

Roger is a senior at the University of Evansville, majoring in music management. He is a member of the concert, pep, and jazz bands and is principal trombonist in the UE Orchestra.

A member of Phi Mu Alpha Sinfonia, Roger has served his chapter as president this past year. He is a native of Evansville and the son of Dr. and Mrs. Edwin Lacy. He studies trombone with William Bootz.
